

MavrosBridge::connect
_to_fcu

```
graph LR; A[MavrosBridge::connect_to_fcu] --> B[StatusMonitor::is_connected]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'MavrosBridge::connect_to_fcu'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'StatusMonitor::is_connected'.

StatusMonitor::is_connected
